Making A Difference

Tessa- Director of Environmental Services

Before coming to Halstad she worked as a veterinary Assistant in Hillsboro for 2 years. Before that she ran her own home daycare. She has currently been with Halstad Living Center for 15 months. "I love that everyone here from my co-workers to our residents has become my second family. We are a very tight-knit group, and no one hesitates to help." She has 4 children ranging from 9-18 years old. In her spare time, you will find her at the lakes fishing, floating or swimming. Advise from Tessa; "Enjoy the ride, it goes faster than you think!"
