

Making A Difference

**Lori Merkle-
Administrative
Assistant**

Lori has been a part of HLC for 36 years!
She started her journey with HLC in January 1987 as a nursing assistant. That is where the love of her job began. Through the years she also worked as a Trained Medication Assistant, Care plan processor, Orientation coordinator for new nurse aides and part time in the office when they became Medicare certified. She now works full-time in the office with Accounts Receivable. She loves working with and assisting the residents with their needs whether it be financial, a ride down the hallway or just a good chat. Lori has two grown children, two biological grandchildren and eight grandkids combined with her and her significant other. Thank you, Lori, for everything that you do and have done for Halstad Living Center.

Ladies Luncheon
St. Patrick's Day Style

"It's hard to look at a baby and not smile."
"A day where you witness at least one baby's smile is a day well spent!"

We are so grateful for our staff that bring in their children to share with all our friends, the smiles that appear are so heartwarming.

St. Patrick's Day

We enjoyed shamrock shakes, Irish flag kabobs, green donuts, chocolate cupcakes AND green beer!
